

Head to Head

Let's Go!

Team Member Job Description

- Good sportsmanship and courtesy toward ALL competitors are *very* important!
- You may compete in as many events per meet as you can practically manage. **
- You may NOT compete in events that occur simultaneously.
FOR EXAMPLE:
 - Students must choose only one Round 1 test and/or one Round 2 test.
 - Students may not compete in an art performance event AND participate on the “Head to Head LIVE” team.
 - Students may not compete in both art performance events.
- **For stage performance events: students, coaches and coordinators should be very aware of the time a student needs to transition from one event to another (costume changes, etc.). If an act causes a delay of one minute or more, their school will be penalized 5 points for “Delay of Game.”

Thanks for playing!
