Wrangler Job Description

Wrangler:

- Obtain a copy of the performance roster from the host coordinator.
- Manage the “on-deck” section of the auditorium/stage area.
- Insure that students are seated in their performance order: students performing first in the front, students performing next behind them, etc.
- When an act is finished, move the students in the following act to the stage.
- As each act takes the stage, move the next act to the front of the seating area.
- When students are finished performing, they may join the audience or be dismissed.
